NovaMaster 200

Convenient LED head torch - free hands at all times

This splash-proof, convenient head torch is suitable for many different activities, such as camping or the workshop. Users' hands are free at all time allowing them to concentrate on the job in hand. The head swivels up to 90° in steps for optimum illumination of the working area. It has two light levels, high and low. The comfortable, elastic headband can be adjusted to any head size. A rubber insert ensures the head torch remains securely seated and prevents it slipping or shifting out of place. The low weight and compact design mean this head torch is very comfortable to wear.

- Head can be swivelled up to 90° in steps
- 2 different light levels to suit requirements (high or low)
- Hands-free all the time
- Rubber insert provides secure seating, no slipping or shifting out of place
- Extremely comfortable: elastic headband, can be adjusted to any head size
- Splashproof
