PowerPlane-Laser 3G Multi-18V

Three-dimensional green laser with one horizontal and two vertical laser circles, including PowerAdapters for use with 18V battery systems from Hikoki, Makita, and Milwaukee

This three-dimensional laser projects one horizontal and two vertical laser circles – ideal for precise alignment of objects throughout an entire room. Thanks to green laser technology with the PowerGreen++ brightness classification, perfect visibility is ensured even in poor lighting conditions. With the included PowerAdapters, the laser can be operated using 18V battery systems from Hikoki, Makita, and Milwaukee. The brands mentioned are not affiliated with UMAREX GmbH & Co. KG. Hikoki is a registered trademark of Hikoki Power Tools, Makita of Makita Corporation, and Milwaukee of Techtronic Industries Co. Ltd.

- Three extremely bright green laser circles with excellent visibility of up to 60 meters
- Compatibility with 18V battery systems: Operates with 18V batteries from Hikoki, Makita, and Milwaukee using the included PowerAdapters
- Easy alignment of slopes with manual tilt function
- Individually switchable laser circles
- Plumb function for synchronous working on floor and ceiling
- MicroControl: High-precision adjustment of the vertical laser lines via lateral fine adjustment without having to move the laser itself

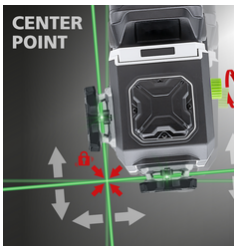

TECHNICAL DATA

Self-Levelling Range	± 3.5° (horizontal)
Accuracy	±0.2 mm/m
Levelling	horizontal / vertical automatic
Visibility (Typical)*	60 m
Laser Wavelength	515 nm
Laser Class	2 / < 1 mW
Operating Time	depends on the battery system used: with 18V system 2 Ah approx. 10hr. with 18V system 4 Ah approx. 20hr.
Operating Conditions	-10°C … 50°C, max. humidity 80% rH, no condensation, max. working altitude 4000 m above sea level

Laser 515 nm · 2 · PowerGreen++ LASER · AUTOMATIC LEVEL · 360° LASER · OPTION · 1/4" · 5/8" · IP 54 · L-BOXX

SCOPE OF DELIVERY

Item No. 036.383L **GTIN (EAN)** 4021563743261 **SU** 1
