

## Crank Tripod P 175 cm

### Heavy-duty design with integral professional crank height adjustment

This robust crank tripod with 5/8" threaded adapter has an extremely long crank stroke (97 cm) which can be adjusted and locked without any play and is adjustable over a wide range. Other product features include stable steel feet and steel chains.

- An extremely long crank stroke allows a large adjustment range
- Crank stroke can be fixed and can be set without play
- With 5/8" adapter
- Easily adaptable to the ground surface thanks to combined rubber and steel tips
- Strong steel feet
- Steel chains
