

MasterLevel Compact Plus

Digital electronic spirit level

This practical, digital electronic spirit level with a square design is ideal for accurate alignment of slopes. It features a 360° angle display and a reference function to transfer angles. The display flips automatically when taking overhead measurements and is therefore easily legible in any position. The hold function allows the previously determined value to be retained on the display. Measurements can easily be transferred to a smart phone using the Digital Connection interface. High measuring accuracy is provided by the calibration function. Strong magnets provide secure location on metal surfaces.

- Exact alignment of slopes
- Practical 360° angle display
- Reference function for transferring angles
- High accuracy and precise adjustment to the measurement area thanks to calibration function
- Comfortable overhead measurements thanks to flip display
- Hold function for locking the current measured value on the display
- Digital Connection interface for use with MeasureNote app
- Acoustic guidance with 3 different signal tones
- Strong magnetic clamps for attaching to metal surfaces

TECHNICAL DATA

Display Accuracy	2 decimal places
Display Accuracy 0° - 1°	2 decimal places
Display Accuracy 1° - 90°	1 decimal place
Protection Class	IP 65
Port	Digital Connection
Power Supply	2 x 1.5V LR03 (AAA)
Operating Time	approx. 100 hours
Operating Conditions	0°C ... 50°C, max. humidity 85% rH, no condensation, max. working altitude 2000 m above sea level
Storage Conditions	-20°C ... 70°C, max. humidity 85% rH
Dimensions (W x H x D)	152 mm x 60 mm x 33 mm
Weight	290 g (incl. batteries)

SCOPE OF DELIVERY

Item No. 081.265A

GTIN (EAN) 4021563702626

SU 2
