PRODUCTION PACKAGING LOGISTICS SERVICE

We rely on a production and packaging concept that protects resources to make it easier for you to work sustainably.

We develop products that not only help you to work more accurately and efficiently but also in a **more responsible** and **environmentally-friendly manner.**

INFO

PRODUCT HOUSING
85 – 95%
RECYCLED PLASTIC

PACKAGING PLASTIC-FREE 100%

[1] Sustainable design: large proportion of the housing is made from recycled plastic

ELECTRONIC LOCATING

LOCATING
DRYWALL CONSTRUCTION

StarFinder [1]
Electronic scanner
- Stud location (wood, metal), live wires

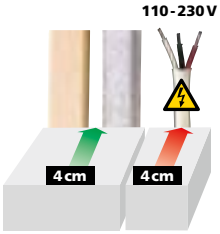

Art.-No. 080.969E
EAN 4 021563 730551

StarFinder Plus [1]
Electronic scanner
- Stud location (wood, metal), live wires
- LCD bar display

Art.-No. 080.972E
EAN 4 021563 730568

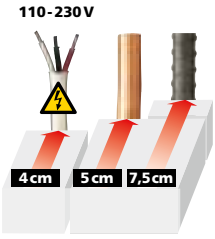

AUTO CALIBRATION

CombiFinder Plus [1]
Electronic scanner
- Metal detection (steel, copper, iron), live wires

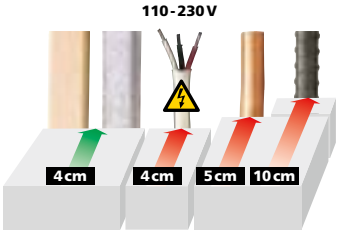

Art.-No. 080.955E
EAN 4 021563 730544

AUTO CALIBRATION AUTO CAL PLUS

MultiFinder Plus [1]
Universal scanner
- Stud location (wood, metal), metal detection (steel, copper, iron), live wires

Art.-No. 080.965E
EAN 4 021563 730575

AUTO CALIBRATION AUTO CAL PLUS

AUTO CALIBRATION
Adjusts the device to different surfaces immediately after switching on.

AUTO CAL PLUS
Allows objects to be localised easily in Metal-Scan mode.

MoistureFinder Compact
Material moisture measuring device

- Four selectable material characteristics: softwoods, hardwoods, plaster and cement screed
- LED wet/dry indicator

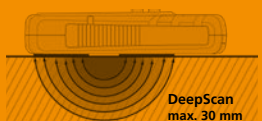

Art.-No. 082.332A
EAN 4 021563 694457

Non-destructive measurement

MoistureFinder Compact

WOOD + BUILDING MOISTURE

HUMIDITY AND MOISTURE MEASURING

DampCheck
Humidity and temperature measuring device

- Checks the degree of dryness in wood, moisture content in gypsum plaster, ambient temperature

Art.-No. 082.003A
EAN 4 021563 689996

WoodTester Compact
Wood moisture measuring device

- Checks the degree of dryness in firewood
- LED wet/dry indicator

Art.-No. 082.004A
EAN 4 021563 690008

DampFinder Home
Device for testing moisture in wood and building materials

- Degree of dryness of wood and 3 building materials

Art.-No. 082.013A
EAN 4 021563 704477

DampFinder Compact
Device for testing moisture in wood and building materials

- Degree of dryness of wood and 8 building materials
- Universal index mode

ELECTRICAL METERS

VOLTAGE TESTER

ActivePen

ActivePen / ActiveFinder

Non-contact voltage tester

- Detection of live cables, determines the polarity of L- or N-conductors, detection of line breaks in cables and wires

Only ActiveFinder:

- Extremely high sensitivity for tracing lines at great depths (Zoom)
- Integrated torch

ActivePen
Art.-No. 083.007A
EAN 4 021563 690039

ActiveFinder
Art.-No. 083.010A
EAN 4 021563 671144

ActiveFinder

AC-Check

Non-contact voltage tester

- Detection of live cables, Edetermines the polarity of L- or N-conductors, detection of line breaks in cables and wires
- Integrated torch

Art.-No. 083.008A
EAN 4 021563 687862

AC-Check

ActiveTester

Universal voltage tester

- Automatic test of AC and DC voltage, automatic range switching

Art.-No. 083.020A
EAN 4 021563 671151

ActiveTester

ActiveMaster

Measuring device for testing voltage and continuity

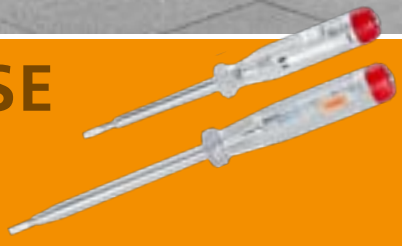

- Automatic test of AC and DC voltage, automatic range switching, automatic range and function changeover, single-phase and rotary field test, single-pole phase testing, continuity test, safety self-test

Art.-No. 083.021A
EAN 4 021563 671168

ActiveMaster

PHASE

TipTest Duo Set

Phase tester (2 pieces)

Art.-No. 083.009A
EAN 4 021563 695645

ELECTRICAL METERS

CableChecker
Cable and conductor tester with transmitter and receiver

- For off-circuit electrical systems, accurate analysis of LAN, TV, telephone, audio and other cables in electrical systems
- Non-contact tracing of the transmission signal

Art.-No. 083.065A
EAN 4 021563 694471

AC-Tracer
Cable tracer set with transmitter and receiver

- Easy location of lines in live electrical circuits
- Non-contact tracing of the transmission signal, tracing of coherent electrical circuits, line finder, detection of fuse circuits in live installations

Art.-No. 083.050A
EAN 4 021563 672103

LINE CHECK

CableChecker

AC-Tracer

MULTIMETER

MultiMeter Home

MultiMeter-PocketBox

MultiMeter Home
Analogue multimeter

- Testing of voltage, current, resistance, battery charge status, switch between function and range

Art.-No. 083.030A
EAN 4 021563 671175

MultiMeter-PocketBox
Universal multimeter

- Testing of voltage, current, resistance, continuity tester, diode test function, switch between function and range

Art.-No. 083.028A
EAN 4 021563 690053

MultiMeter
Universal multimeter

- Testing of voltage, current, resistance, battery charge status and diode test function

Art.-No. 083.031A
EAN 4 021563 694518

MultiMeter-Pocket
Universal multimeter

- Testing of voltage, current, resistanced, continuity tester, diode test function, switch between function and range, integrated non-contact voltage indicator

Art.-No. 083.032A
EAN 4 021563 671229

MultiMeter-Compact
Professional multimeter

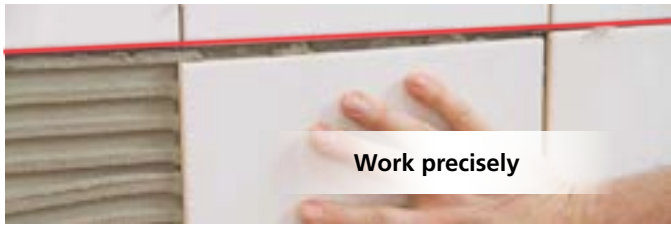

- Testing of voltage, current, resistance, capacitance, frequency, duty factor, contact temperature, continuity tester, diode test function, automatic range changeover and manual range preselection, integrated non-contact voltage indicator

Art.-No. 083.034A
EAN 4 021563 671236
