PocketCross-Laser 2G Set 150 cm

Practical cross line laser with green laser technology – wide range of accessories for many different uses, including compact 150 cm tripod

This cross-line laser projects a highly visible green laser cross for precise horizontal and vertical alignment of objects. It also has a manual slope function for setting creating gradients. A versatile range of accessories means this laser is the solution for any precision alignment job. The compact tripod has a wide adjustment range due to the multi-section telescopic legs and a crank (30 cm stroke). The PocketWallHolder, a multi-functional, height-adjustable magnetic bracket, is suitable for attaching to walls, metal items, and tripods with a 1/4" or 5/8" thread. The target plate is particularly useful when working close to the ceiling, for example when fitting suspended ceilings, and can be attached to metal profiles with the magnet. It also has a stand for working close to the ground or positioning on objects, for example, as well as a nail hole and a dual scale (centimetres/inches). Laser enhancement glasses allow laser lines to be clearly seen with the human eye. The powerful lithium-ion battery, which can be charged using the USB-C cable, ensures a long operating life. Alternatively, the device can run on mains power using the power supply which is also included.

TECHNICAL SPECIFICATIONS

SELF-LEVELLING RANGE	± 4°
ACCURACY	± 0.2 mm / m
LEVELLING	automatic
VISIBILITY (TYPICAL)*	55 m
WORKING RANGE WITH HAND RECEIVER	(depends on how the technology affects the difference in brightness) 40 m
LASER WAVELENGTH	515 nm
LASER CLASS	2 / < 1 mW (EN 60825-1:2014/AC:2017)
POWER SOURCE	Li-ion battery pack 3.7V / 3.6Ah / 13.32Wh
OPERATING TIME	approx. 15 hours
OPERATING CONDITIONS	0°C ... 50°C, max. humidity 80% rH, no condensation, max. working altitude 4000 m above sea level
STORAGE CONDITIONS	-20°C ... 70°C, max. humidity 80% rH
DIMENSIONS (W X H X D)	91 mm x 82 mm x 60 mm x (incl. battery pack / without accessories)
WEIGHT	334 g (incl. batteries)
